NEWSPAPERARCHIVE®.

we have to any will be easy reading. If it be just what it was the report of youthful impulsiveness, and not of a raved and wicked heart. Indeed, if that out want to hear, it may be suggested to the utility of the quotifing story, we have of the quotifing story, we have of the quotifing story, we have to hear, it may be suggested to the in all gentleness that it is just that and that only which he has a right to expect. Particular and all the case of the quotifing story, we have the antitor of the vopen out of the open out of the deal and that he will be and to hear, it may be suggested to the in all gentleness that it is just that and that only which he has a right to expect. Particular and all all to the case of the read. That Turrent outsets lost after the only which he has a right to expect the story to show by disinferented testimary. The poverty of intellect and littleness that it is intellect and littleness that it is some and which the distinct the content of the tempt to expect the property of intellect and littleness that the sentence of the content is distinct to the content of the tempt to expect the property of intellect and littleness that it is in the poverty of intellect and littleness that it is no part of our purpose to attempt to expect the property of intellect and littleness that the sentence of the content of the read and all all defined and that the author of the report of the content of the read and all all defined and that the author of the report of the content of the read and all all defined and that the author of the read and all all defined and that the author of the read and that the author of the read and all all defined and that the author of the read and all all defined and that the author of the read and that the author of the read and the read and the author of the read and the read and that the author of the read and that the author of the read and the read and the read and the read and the read and

His pretended griovance is in the allegation and dark drama of "youthfut inThe still later robbery of the
Thomas while their mothgrave, can not its put down Zollies of youth." His course in this state as Northern Pacific company been subjected to nions, politician, from 1865 to this unfair treatment in congress. To be specific,

or the result of impulsed Speculiar to on the result of impulsed Speculiar to ad generous minds.

It wrong, that committed against the for young first intrusted to his coro, of young girl intrusted to his coro, are brought remorse enough to make the interest of the unfortunate layes of a youth heart. If he tound life, unendurable to the unfortunate layes of a youth heart. If he tound life, unendurable to whom he had been married by the not united, he could dertainly layer to her sorrows, and certain different countries to her sorrows, and certain of the grant was the position to defeat their florts. Extension of these and positions to defeat their florts. Extension of the word of the grant on terms. Rectainly have to her sorrows, and certainly layer to her sorrows, and certainly layer to her sorrows, and certainly have not present the proposition of the present on terms and the proposition of the grant on terms and her to the proposition of the grant on terms and the managers preferred the proposition of the countries of the grant of the gran

This is the statement to which the ex-senstor th was put forth by "a deliberate calumniator. A viscoing of criminous falsehoods, and a dispenser of wicked lies."

some renthed back, and to its latest mo-ceed to show that the statement which he pro-the light been a story of crime and wrong ceed to show that the statement which he pro-the makes the pleased wouthful follies an notices false is entirely true, and that its criticism of his public acts in public

sired extension of time on its land grant. It taking, congress was disposed to grant what the course of the Northern Pacific relired is matter of record. Not it is. It is to the record that the Northern Pacific relired is matter of record. Not it is. It is to the record that mittee on railroads, and he would allow no bill to be reported by that committee unless that the course, in every feature of it, was the first of the reported by that committee unless that all be did it relation to the Northern Pacific relired is matter of record. Not it is. It is to the record that the course, in every feature of it, was that The Origonovaray's chief collers, Mr. H.

Mr. Mitchell declares that all be did it relation to the Northern Pacific r Aw. Scott. These attacks are old songs, which is the friends of the company endeavoring to get the simple extension of time, and a report for simple extension of time, and there been many times hissed off the Mitchell presenting amendments of a nature which would have made the grant almost valuatings. He like it is on the other side of the which would have made the grant almost valuating the side of the company is far worse the ally obserges against bin; but the files of the company is present on further legistic. One of these amendments proposed to the side of the company's grant and because it again to the public of the company's grant and because it again to the public of the company's grant and because of the company is take away part of the company's grant and betwo years ago, and we give it again to the pubhis this morning. Any animosity which Mr.
Scott may entertain agains: Mr. Mitchell is
Another proposed restrictions of an embarrasetolly that which tray honorable man should
feel when he learns Mitchell's character, and
hears the long story of his crimes. But it is there the long story of his crimes. But it is pany to allow the use of the western division of the grant for one who has spoken of its road to its rivals. There is no doubt the grant in this, and in his general of the grant for present for one who has spoken of its road to its rivals. There is no doubt the grant in all this, and in his general of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the head of the reflect of the grant in the grant in the head of the grant in the gr not notessary to meak for one who has spoken as faily and so will for himself. Mr. Scott's that Mr. Mitchell was zealous in behalf of his own schemes. It was unaccessary to have writen the fair bogins at Salem next Monday, continuing through the week, and the Mechanics fair bogins in this city next Thursday, the was upon the Portland enterprise in fixing a date doubliding with the state fair. The interpretable of the road, how happens if that he was only the did its list was or the hand of the road, how happens if that he was not too theid its list was the southern of a road. If he was so great a friend of the road, how happens if that he was interesting obligations to the government, making at one time a two days speech on the subject of the california of the grant. In all this, and in his general that Mr. Mitchell was zealous in behalf of his own schemes. It was unaccessary to heave with monopoly was apparent. It was a subject of the two idid not fix the time for this year's fair until long stur the discours of the Mechanica' fair had, announced their dates. Present arrangements will be mutually beneficial, in so far a time to the mutually beneficial, in so far a time and their dates. Present arrangements will be mutually beneficial, in so far a time down a distance to right both fairs with the expense of one trip.

When the half imbedie and epileptic Lawronce alias Squires descried his wife, and control the "Wide, Wide World" a wave of honoset in the "Wide, Wide World" a wave of honoset in dignation swept over this community. And you there are those who think that Oregon abould be represented in the senate by one whose crimes "nake Lawronce to conduct appear a more "youthful indiscretion." What would the people of Oregon any if in a few years from now it were reported that another state had elected Lawrence to the senate.

(Courleded from Second Pages) than to be admired. This success in opposition to Time than desired. This success in opposition to Time transfers has hardly bose of a cheracter which should puff him up with a sense of his own importance, or construce it that it value office at that price, and has minuted before in the price of the managed of the own property. The headed not value office at that price, and has minuted to the managed of the own property. acter which should puff him up with a score of his own importance, or convince it that it should regard his vonitings otherwise then with contempt, whether he be in the state or much flat position. Chough office are than once much has once than once the state of th

Formation and politics that the state of the danything but the petry series of personal to use the word scharlatar to complete the petry series of personal to use the word scharlatar to complete the petry series of personal to the state of the series of description. This is very panied when the conference of it is considered. We once knew a quartered to pursue a regular and legitimate onite of it is considered. We discussed the state of the political later and the state of the world. He was elected under the impossibility of an assumed name and false character, and the state of an assumed name and false character, and the state of t mere of an assumed name and falso character, speak of "pretenders" and characterians. In the United States combet rind the exposure this case the ingratumle was wholly on its sunk his supporters in hemiliation, brought own part. The educr of this paper had made that quickly followed stripped him of his alias, in the dust her becought his friends and rain. In his extremity and their own they tried to sustain him, partly out of pity for his

obtrudes himself, it is proper to say, when occasion requires, that his whole course has ever een and still is in perfect accord with that haracter which blossomed-sweetly and brought orthits most perfect fract in these develop-Though he speaks in his "open letter" of being "cugaged in the practice of his profession" in Washington, it is sufficiently known that be retained there in the only capacity that perfeetly fits him, namely, that of a hired lobbyist in the service of a great corporation. Such inciples of the law is next to nothknown to be utterly destestedthe people rose and took out of his alone cunning natural to his character he had ployed to compass kin ends; since when he and as the "open letter" shows, and as the vaporings which he calls his consecutive sentences correctly. without taste or sussibility, or judgment to criticisc himself. What could be more suggeshis cobinet. President Garfield may be expected to saler men of ability, culture and thereter, and no mere adventurors and placet, cont of a job. In this case the example is he not imcommon one of the mountebank who works at his protessional tricks with a more the activity respectively comploys, whether the party which this activity employs, whether pushed to disgust or disintegrate the party. The republicans easily elected a majority in the pushed to disgust or disintegrate the party. The position of the continuous and elected and the pushed to disgust or disintegrate the party. leight of hand performer in the lower shifts own self-respect can long remain in political in 1821 the election of a senator will again be before the legislature, and there is every reason before the legislature, and there is every reason derahip on intrigue, craft, corruption, dution that the senator or "boss" owns the party agin taking leave of alim, that for all the senator or "boss" owns the party agin taking leave of alim, that for all the his business to keep the official positions filled his business to keep the official positions filled with his persecul dependents, that it is their chief drift to support him in torn, and that to change his name once more and depart for some other country. this cad they must pack primaries, control conventions, force neminations according to

be permitted bim. The author of the "open letter" says that the times past the editor of the strength of the past the editor of the strength of the public crib much of the fortune which he possesses," and intimates that this alleged favor has been received the control of the fortune which he possesses, and intimates that this alleged favor has been received with the control of the postform of postmatter at Larance City. Wyoming traitory. Not provided with the control of the postform of postmatter at Larance City. Wyoming traitory. Not provided with the control of the postform of postmatter at Larance City. intimates that this alloged favor has been required with "ingratitude." This statement has been circulated for year past in various forms by the ex-senator and his trainland of toadies; and now a short answer will dispose of it. First, the person referred to has no ofortune? quo ever had, nor have his advantages at the bubble crib" been recomparable with those of this protection and placeman placeman. advantages at the thubble crib! been compar-able with those of this protessional piaceman and off-exbreage who assault him Sec-ond, he never sought off-sial position, and the only one be ever field he had occupied for two years before Arr. Mittehall became senator, Moreover as and been appointed to that posi-tion and only without Mr. Mitchells, "friendly kid and and co-operation, but even without his knowledge. Third, Mr. Mittchell, on reaching the senses, a success for which he was immensely imbehied to the editor of this paper, found him in official positio; and sub-

numpertant episode. But it is proper to add that the office was not sought by the editor of

unusual sacrifices to elect Mr. Mitchell to the stude of indigration; harting his tweed and blackguard invective at "pretenders" and blackguard invective at "pretenders" and chariatuma." He showed himself in his tend haractur whompublicity to reason the second thise unfortunate incidents to make the best amends for which the care will admit is the most decent thing one can do. No man can be associated intimately in politics with J. H. Mitchell and preserve for himself a documpublic respect. Men are judged, and rightly judged, by their associations. Mr. Mitchell has clauquers of small calibre-he can hold to make the best of lit. They were humbled and disgraced, and ret they stood by him—a service which he afterwards coquited in the stood by the service which he afterwards coquited in the stood by the stood by him—a service which he afterwards coquited in the stood by the stood service which he afterwards ecquited in the dass of not a few by the conduct of the shifty politician who finds it convenient to turn against those who have befriended him to the past to reward those who promise him favors to come. thereby be in any way improved. length, but it is as well to make them so com-plete that it will not be necessary to return to

the subject. It remains, therefore, to add a re mark on Mr. Mitchell's position in and connection with Oregon politics. His soluranger is ever low various to the radiation social position, utterly acroises of the effect upon the fortunes of his party. Never has the party won an election when is has appeared that a victory could have been construed or interpreted as an "endorse bility that he would be a beneficiary of its succass. From the time of his election to the sen-ate, which was brought about through the fact d a book thoroughly in his life, is as by an immense majority. He sacrified it selfishly and without computation, to himself. In 1874 there was a general independent movedown ay a tetter over his own was to expire and a logislature was again to be chosen. His band or that of his agents was be elected, and his "claims" therefore were not toth branches of the legislature, and elected type merit and equally fall to support an unanother of congress by a larger majority tuen of the measure of congress by a larger majority tuen of the measure of congress by a larger majority tuen of the measure of th plicity, cinciparention, and everything that is opposite to opennous, housely and fairings. In addition to the other traits that round out such a character to "presentique" completeness, the little great one imagines kinnelly a killest dictator, insist that egery man associated with him owes him personal service, and rapels every one who, possible of integrated with him owes him personal service, and rapels every one who, possible of integrated with him owes him personal service, and rapels every one who, possible of integrated with him owes him personal service, and rapels every one who, possible of integrated with him owes him personal service, and rapels every one who, possible of integrated with him owes him personal service, and rapels every one who, possible of integrated the service of the republicans to say whether he shall still be permitted to fore despise a paliriness whose shabby expe-dients are constantly thrust upon his atten-tion. This retarries founded on the assump-tion. This retarries founded on the assump-done heretofore. As to limself, we may now

conventions, dored nominations according to his dictation, Etheroughly over all protestors, fill the legislature with members pledged to himself, do, whatever political trading may be necessary to that end, fight his battles and so dree his re-election. This is the game of politics as Mitchell tries to play it. He attempts of course, to pulleh with the party lush and its tumid relected all desent or revolt. But life may still de supported under the fury of the bailed artifaces of fraid and outrage in politics. One indeed may with perfect cooliness; if he have time for trides, analyze the ingredients of this agecies of rage and find occasions in mamorial trial to the party lush and politics. One indeed may with perfect cooliness; if he have time for trides, analyze the ingredients of this agecies of rage and find occasional ammental to the majority of the bailed critical trial to the proportional trial trial and the contempt, and cast their votes without the slightest thought of consulting his wishes, let him rage how we will. And therefore it has not occurred to those who saw fit to take the course that defeated Mr. Mitchell's ridiculous presintion to re-dicction that they owe him any apology. On this point he ineffectually swells are larged into the sacestomed targidity of speech and violates seeme had grammar in vain.

It is not a labit with the editor of this paper to use its columns to make therefore the party of the point he ineffectually and the product of the sacestomed targidity of speech and violates seeme had grammar in vain.

It is not a labit with the editor of this paper to use its columns to make statements about himself. But at this point a word may be permitted him. The author of the force more factors and the recovered as the columns to make statements about himself. But at this point a word may be permitted him. The author of the force may be a lawyer, who addresses a pure headed one repetition of the same paper to use its columns to make statements about himself. But at this point a word may

sequently used the power which he temporarily and a condition potent described can be found at greened the power which he temporarily and the leading potent described can be found at greened the case of the removal from it. This perhaps being second and Merrican

morrow at ten o'clock I shall come to take you with me to the fencing-school."

I try to rebel against this injunction but it is positive, and immediately after leaving the theater we all irreturn to the house. Clears are lighted; we chat from Lour, and the gentlemen could, depart leaving me all adom—alone with the window. The other law is the end of the route; we true house. Clears are lighted; we chat from Lour, and the gentlemen could depart leaving me all adom—alone with the window. Goorge jumps afters.

Classically, I wish to arrange my afters.

Scarcely have I commenced to exhum lappers, stamped not in stamped, inventor ites, correspondence, see, when I find every thing in so disorderly a state that I tumble the whole moss back into the gate keeper, who opens the iron gate. Leaving me all cause the currage to persist.

I simply write one subrt letter—matorially as I can express myself—to my mother, and leave it duly addressed apon my bureau. Then I go to bed and manage somehow or other to go to sleep against my will. The dominant idom inly minut at the moment I drop off to sleep a state is will be a state in the state in the said of the said of a fourer of commenced to The other commenced to exhause the course to morrow worning? Who knows if I shall have the pleasure?

Who knows if I shall have the pleasure?

The I futer a mental udien to everything about me, and close in weeke commenced to Them and the said of my best in the first face I see at the head of my best in the first face I see at the head of my best in the first face I see at the head of my best in the first face I see at the head of my best in the first face I see at the head of my best in the first face I see at the head of my best face in this commenced to the first face I see at the head of my best in the first face I see at the head of my best face in the first face I see at the head of my best face in the first face I see at the head of my best face of the first face I see at the head of my best face of the first face I see at the head o

the first face I see at the head of my hed is George's.

In one second the thought of the first duel rushes to my mind, and I feel a sort of griping at my, heart. Then, after a contial bandshake, I examine George's toilet. Black aress-coat, hight pantaloous, pearl-gray gloves. I feel so grateful thin for having eachewed the lugubrious, because I feel that it is now an absolute assistance to me. The carriages halt a few yards away. The four seconds meet eaviewed the lugubrious cost unce usually worn on such occasions. He notices the favo able impression.

"My dear fellow," he says, "it is not now fashionable to go cut to such affairs now dashionable to go cut to such affairs if one were going to a funeral; it is not now fashionable to go and to such affairs if one were going to a funeral; it is

blackguard invective at "preferrors" and self-guard invective at "preferrors" and self-guard invective and interest publicity are now eyenguards, and trate in the dust, is a besought it is friends and trate in from the pit of unter elegradation and the pit of unter elegradation. and run. In his extremity and the rown that trued to sustain him, partly but and runt empty weathed and helphose occultion, and partly because they had gut info a must empty. jude d, by their assemictions. Mr. Mitchell has clarifiers of small calibre he can hold partly because they had gut info a must em-barraseint position; brough the adherence to has clarquers e; sman canonic transfer," and thought it is eccently to try to the best of it. They evere Lumbbled grading servicity who are broad or smanling grading servicity who are broad or smanling and disgraced, and yet they stood by him a presses to his adelity who are usual or single service which he afterwards required in the case of not a few by the constact of the shifty patients those who have beforeded him in the sample those who have beforeded him in the patient those who have beforeded him in the

obtrades himself, it is proper to say, when oc-casion requires, that his wir-lo course has ever-been and still is in perfect accord with that length, but it is as well to make them so complete that it will not be necessary ! It remains, therefore, to add a reor which hossoped sweetly and brought mark on Mr. Michell's position in and most perfectives tin these developconnection with Oregon politics. His soliforth its most perfect fro tin these developments and in the history that preceded them. thought is ever for his own political ad-Frough he speaks in his "open letter" of being "engaged in the practice of his profession" in Washington, it is sufficiently known that he vancement. He has no trade but that of the politicists seeking official position atterly careless of the effect upon the fortunes of his is retained there in the only expansity that per-fectly fits kim, namely, that of a hired lobby list in the service of a great corporation. Such been construed or interpreted as an equatorsebeen construed or interpreted as an employee-ment" of him, or when there was a probaant is for him the natural thing, since bility that he would he a beneficiary of its success. From the time of his election to the seninciples of the law is next to mothate, which was brought about through the fact the solid principles of the unit states in that ing; he has never gained any success in that that his real character was not yet known, and profession except by methods which only had the further fact that when the hegislature was whereupon the people was and took out of his hands the instruments which, with the unserupulous cunning natural to his character he had employed to compass kis ends; since when he There was active rebellion on the part of thou-sands of the best republicans of the state. In never read a book thoroughly in his life, is as a large set the advice of friends, he the second diam. lestitute of literary culture as of moral libre, the sistest on being rendersed" by the republican "open lebter" shows, and as the convention at Albany. The party was leaded by an immense majority. He sacrificed speeches" prove, he is unable to write or selfishly and without compunction, to binnelf. In 1874 there was a general independent moveen consecutive sentences correctly. ment, the direct offspring of a protest against him and his methods. Republican defeat again followed. In 1876 a legislature upon which vould devolve the election of a senator was to that the result would be in his interest and from that time. A democratic log, sature was cabinet President Gurffeld may be the consequence, though the republicans that expected to select men of ability, culture and same year earried the state for President Hayes ster, and not mere adventurors and placeby a large majority. In 1878 his own term was to expire and a legislature was again to be chosén. His hand or that of his agents was prominent in the moninations in nearly all the works at his professional tricks with a more luity than other men exhibit in carry, and the result again was a democratic legislature. In 1880 there was no sunstor to the arts which this activity employs, whether they be arts of the ordinary juggier or of the The remulticans easily elected a majority in republicans easily elected a majority in both branches of the legislature, and elected olitics, are equally foreign the member of congress by a larger majority of professional politics, are equally fail to support an the member of congress of the many years, to true merit and equally fail to support an thun either party had obtained for many years, nonrable correct. No man who values his 1 in 1882 the election of a senafter will again be a controlled in the controlled of th before the legislature, and there is every reason plicity, circumvention, and everything that is opposite to openness, honesty and fairness. An addition to the other traits that round out such a character to "proton that they know it, elect a legislature that would, but a constraint of the proton that the proper will be the constraint of the proton that the proper will be the constraint of the proton that the proper will be the constraint of the proton that the proper will be the constraint of the proton that the proper will be the constraint of the proton that the prot by any near possibility, make him senator. gines himself a political dictator, insists that tions" completeness, the little great one imagines himself a political dictator, marked personal service, and repels every one who, personal service, and repellify. It remains for the republicans undoubtedly. It remains for the republicans to say whether he shall still be permitted to drag the party to defeat, as he has so often tion. This system is founded on the assumption that the sonator or "bess" nwns the party and the public offices, that it is his right and the public offices, that it is his right and public offices, that it is his right and public offices, that it is his right and public for him to Origina, he political future there is for him in Origina, he his business to keep the official positions filled

may as well resolve without further delay to with his personal dependents, that it is their chief duty to support him in turn, and that to chance his panic togo more and depart for Highly's New empirer Venitives.

X. Y. S. H.

Yashinotes, Aug. 3th Brady's receiving paper prints a detense of the investments. In weakington be washington be washington by which in the prints of the National Company of th of course, to punish with the party lash and his tamid rhetoric all dissentor revolt. But life may still be supported under the fary of pretentions to resolution that they one any special presentions to resolution that they one any special present in this point he ineffectually swells into his acceptanced targuisty of speech and violates sense and grammar in vain.

To so not a habit wife the editor of this particles of the present of the
